Stony Brook, NY 11790Regarding: Mount Sinai South Nassau  
Incident #75016CMS-15139MCC

Dear Dr. Karkare:

Thank you for sharing your concerns with The Joint Commission regarding Mount Sinai South Nassau, a Joint Commission accredited organization. We take seriously all issues that may reflect noncompliance with Joint Commission standards. Your concerns have been incorporated into our quality monitoring database, and we will continue to track the performance of this facility over time. By monitoring patterns and trends, we can see if performance improves or if the organization continues to have quality and safety issues.

The Joint Commission evaluates a health care organization's processes according to our quality and safety standards. The Joint Commission does not address billing issues, payment/financial disputes, legal matters, case management concerns or act on behalf of an individual.

Thank you for bringing your concerns to our attention. This information will be used to strengthen the oversight activities of The Joint Commission in its mission to help improve the quality of care in its accredited organizations.

Sincerely,

Office of Quality and Patient Safety
